Students may be permitted to order a glass of wine or beer in the presence of a staff member. However, they may do so only at the evening meal and only with written permission from the parents. Permission for this is granted on the emergency form which is submitted to VaAM by FEBRUARY 1, 2025. Intoxication will not be tolerated. Because your travel will take you into many facets of life and culture, we have found that participants are happy to cooperate in presenting a well-groomed appearance when representing their school, state and country abroad. Offensive or inappropriate language will not be tolerated. Each facility or conveyance will have certain rules pertaining to smoking. Smoking is not allowed on coaches and airline flights are non-smoking. Normally, curfew hours will be 11:00 p.m. All members of the tour are expected to honor these rules. Participants are responsible for any damage to hotel rooms and contents as well as the coaches and any other property while touring with VaAM. Possession and/or use of illegal drugs are grounds for automatic dismissal with no refund whatsoever.
